

April 29th

MATH:

BrainPOP Jr.- Grams and Kilograms – Take quiz, email or take picture of results and send to your teacher.
Work on XtraMath

SCIENCE:

Georgia Science Workbook – Read pages 168 – 171. Complete the “Do the Math!” and upload into Class Dojo.

Additional Optional Resource: (If you do not have your science book at home, please watch the following)

Bill Nye, The Science Guy – Heat

<https://www.youtube.com/watch?v=n7ko1F0gEU4>

WRITING:

ACTIVITY:

-If you have a printer: Print this image. Cut the simple sentences apart. Match the individual clause/sentences from each side to create 7 new compound sentences. Add a comma and one of the following coordinating conjunctions, **but, and, so**, between them. Take a picture and upload your work to your Dojo Portfolio.

-If you do not have a printer: Create a Word Document in Office365 to complete this activity. Name it “Matching Compound Sentences”.

-Look at the following chart. Match the individual clause/sentences from each side to create 7 new compound sentences. Add a comma and one of the following coordinating conjunctions, **but, and, so**, between them.

-You can only use each individual sentence once.

SIMPLE SENTENCE 1	SIMPLE SENTENCE 2
Joe was afraid of heights	then it started to rain.
On Saturday, I went to my grandma’s house	she caught eight fish.
I went outside to play with my friends	she did much better at her next game.
Anna practiced softball everyday	he climbed back down the ladder.
Jake couldn’t decide what game to play	he let his little brother choose.
I agreed to play catch with my little brother	he got tired very quickly.
Emma went fishing for the first time	I picked some flowers for her.

READING STAMINA– 30 minutes
